## Summer Adventure

This Summer Programme is specially designed to provide children with wide range of activities to engage them in their various interests during the long summer holidays. This will be weeks of new experiences and some favourite old ones too such as cookery. The activities will be arranged by age group to maximize the development of their potential and interests. The medium of instruction will be *English*. The programme contains the following areas of development:

### 1. *Creative Art*

This is to develop children's creativity and pride in their accomplishments by exploring and using art materials, enriching their aesthetic development and increasing appreciation of their own work and the work of others.

### 2. *Literature*

This activity is aimed at building children's confidence in self-expression and communication. Various kinds of activities will be provided to enhance their listening, speaking, pre-reading and prewriting skills and to stimulate their interests such as storytelling, rhymes / songs and finger plays.

### 3. *Little Chefs*

Children will have an opportunity to learn about food, to be creative, and to prepare their own snacks, such as sandwich, bread sushi, etc. Best of all, you can enjoy the food your child have made too!

### 4. *Creative Movements*

It emphasizes coordination, strength, agility and flexibility; the basic elements in sports. At the same time, this will develop children's self-confidence and discipline, social, perceptual and emotional fitness in a safe and fun-filled environment.

### 5. *Farewell Event*

A Farewell Party will be held during the last lesson of the programme. This will allow children to share the fun they have had during the course and be ready for the new school year to come.
