

Learn to read with Jolly Phonics!

What is Jolly Phonics?

Jolly Phonics introduces children to the fantastic world of reading through songs, movement and fun!

Children learn to recognise and pronounce the most common of the 42 sounds first so that they can start reading and building words as early as possible.

Each letter sound has a song, a story, an action and a worksheet which means that all types of *kinesthetic*, *auditory* and *visual* learners are engaged. Children will be able to discover the joy of reading in their own unique way.

Children will recognise and pronounce digraphs, blend sounds to read 3-5 letter words as well as early independent reading.
